FUSION User Manual

EN

HELLO!

Please read me carefully before using your FUSION speaker for the first time.

ACCESSORIES

karabiner

stand

wall mount

attach to fabric loop on the back of the speaker (1)

slide nipple in to universal socket (2)

wall mount slide nipple in to universal socket (2)

CONNECT

Connect via Bluetooth:

Hold on button ⑥ until you hear voice prompt "power on" and wait to be prompted "pairing", now find the name FUSION on your Bluetooth device menu, select this and wait for the prompt "connected". You are now connected and ready to play music and receive calls.

To switch off press and hold ⑥ until prompted "goodbye". If you lose power on your Bluetooth device or move out of range your FUSION will say "disconnected", once this happens switch off and on and this will reconnect your speaker, or simultaneously press ④ & ⑦ once to re-enter pairing mode.

CHARGE

Charging:

Once your speaker prompts "battery low", it's time to charge. Open the rubber micro-USB cover and connect the supplied micro USB cable ⑧ to a USB power source. Once fully charged red light ⑥ will go out. If you want to play music whilst charging, connect to your device first then start charging.

QUICK REFERENCE

previous song
press once

volume down
press & hold

play/pause
press once

answer call
press once

hang up
HOLD

redial last call
press twice

ON/pair
press & hold 2 seconds

press once

volume UP
press & hold

stereo pair

Dual Pairing:

Once paired to a FUSION speaker to add another switch on No.2 speaker by pressing ⑥ ON/OFF then press ⑤, you should then here a beep indicating both your speakers are paired, once you have paired your speakers the next time you switch them on they will pair automatically. No.2 speaker will pair automatically to the already connected No.1 speaker. You can use the controls on either speaker as if they were the same speaker.

*WARNING after charging make sure rubber cover is firmly closed to allow no water or debris to enter. Failure to do this will void your Warranty.

General guidelines:

- Keep away from high temperature or prolonged exposure to direct sunlight.
- Avoid constant contact with liquids.
- Do not disassemble.
- Do not drop repeatedly or excessively.
- Keep out of reach of children.

Warranty:

Your BOOMPODS product is guaranteed against any defects in material or workmanship for one full year from the date of original purchase providing it has not been disassembled and it has not suffered accidental damage such as a hard knock or long immersion in water, etc. The device must be used in accordance with the user manual. The warranty is subject to presentation of the original invoice or receipt from the retailer and does not apply to normal wear and tear or to any device that has been misused or tampered with. If should be returned to the local service centre, the service centre will not bear any shipping cost of the returned item.

Please check www.boompods.com for your local service centre.

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
